Dear Friends,

As CEO & Director of Student Affairs, I was honored to conduct the 2011 Graduation Ceremony along with our President, Dr. John Hodges. The graduation was held in Atlanta, Georgia and was a great success!

We are already making plans for next year with some great additions to the program. We plan to have the graduation in the morning followed by our annual banquet for graduates, family and professors. In the afternoon there will be several sessions on different subjects by various speakers. Booths will be made available to promote your products and services. Each student, alumni, and professor who attends the sessions will receive a certificate of completion. Afternoon sessions will also be open to those interested in [KCNH](#). Look for more info coming soon with 2012 dates, etc.

We are excited about the continued growth of KCNH, which we believe is the most professional natural health college in the world today!

Sincerely,
Dr. Harbuck
