### HOMEOPATHIC & HERBAL REMEDIES

President  
Richard Clement,

Dear Friends & Partners in Good Health,

Greetings and welcome back to The Kingdom Link - The Kingdom College of Natural Health E-Newsletter. We hope you are having a happy and healthy summer. In this issue there is exciting news about our brand new [KCNH INTERACTIVE WEBSITE!](#) It has been a long-time coming and much hard work has gone into making it the very best.

We invite you to visit our new website and take a look around. We believe you will be pleased and as excited as we are. There will be more features added in the media department in the next few weeks such as online lectures, videos, etc. We would like to hear comments from you concerning the site. Let us know how you like the site and what more you would like to see available online. [info@kcnh.org](mailto:info@kcnh.org)

### HEALTH TIP OF THE MONTH

Do you love being outdoors in the summer, but are eaten alive by mosquitoes? If you don't want to deal with toxic bug repellents, try geranium oil. Get it as an essential oil and put a few drops on your arms and legs. It seems the little buggers are put off by the pungent odor. Europeans use it extensively. Try it. It may be just what you need.

### STUDENT SPOTLIGHT

Meet **Blanca-Carolina Gonzalez-Gomez** from Falls Church, Virginia. She is enrolled in the Doctor of Naturopathy program. Having lost 25 pounds (*see before and after photo*), while reducing her blood pressure and improving her over-all level of health, Blanca-Carolina exemplifies what can happen when a person applies natural health principles to her own life.

Radiant and happy, she credits KCNH for teaching her what she needed to know to make the changes in her personal health. In her own words, *"I could not have done this without KCNH. The teachers and staff are the very best. I highly recommend KCNH. My learning has been a life-changing experience for me. KCNH saved my life!"*

Letters from students like this make it all worth while. We are always thrilled and humbled to share in the successes and accomplishments of our students. We're sure Blanca-Carolina will make a wonderful Natural Health Consultant!
